

## **PRESCHOOL PROGRAM**

Our preschool provides a developmentally appropriate program for children ages three to five years old, with an emphasis on the arts.

Our daily rhythm includes art experiences, free play in a variety of interest centers and circle times with music, movement, stories and social development.

Professional, experienced teachers design the environment and offer experiences based on each child's developmental needs and individual interests. We offer children an innovative and balanced experiential early learning foundation. We expose our students to a rich environment in unique experiences with an emphasis on visual arts, music, theatre arts, storytelling, dance and movement. A daily nutritious snack is offered.

Cooking, gardening, seasonal activities and family participation are also important aspects of our Preschool Program.

## **PRESCHOOL PROGRAM**

The Preschool Program meets three mornings a week on Monday, Tuesday and Wednesday from 9:00AM to 12:00 Noon.

*We believe that merging academics with the arts is essential in order to serve the whole child.*
